

FINANCIAL POLICY

Sandhill Orthopaedic and
Sportsmedicine, LLC

1. If you anticipate a large bill, a payment program may be worked out with our business office staff. Sandhill Orthopaedic and Sportsmedicine Clinic accepts most major third party insurance, Medicare and Workers Compensation and cash. The specific charges are related to the extent of your visit and complexity of your health care problem and the combined necessity of any ancillary services provided.
2. The fee for your office visit is payable at time of services. All new patients will be asked to pay up to \$100.00 in cash, credit card or check. Your charges will be submitted to your insurance company or placed on a suitable repayment schedule.
3. Ultimately it is your responsibility to satisfy your obligation to Sandhill Orthopaedic and Sportsmedicine Clinic. The SOS business office staff operates as a team and is trained and capable of helping you with evaluation and assistance with your repayment schedule. SOS business office staff will do the best they can to help you understand your billing, if you have questions.
4. To further help us in your care we ask that you arrive 15 minutes prior to your first office visit. Our receptionist will ask you to fill out a patient information form. These questions are important in helping us gain essential information about you. You can also save time by downloading our insurance information and bringing it to your appointment. You can find the form under the appointment section of our website. We also encourage you to bring copies of your insurance cards, insurance forms or any other outside medical records or X-rays that could help us evaluate your condition. We may need to contact you for more information.
